Honors in Excellence

The Sustainable Landscaping, Heritage, and Decade Honors status indicates additional levels of achievement. To receive any one of these honors, the project must meet additional requirements. The project may be a first time entry or a five or ten-year entry.

Sustainable Landscaping Honors

Applicants may apply for Sustainable Landscaping Honors in any category. They must complete the Sustainable Construction or Maintenance supplements at the end of the online application in order to be considered. If the project does not receive Sustainable Landscaping Honors, it will not be eliminated but rather reviewed as a traditional entry.

Decade and Heritage Honors

Applicants may apply for Heritage and Decade Status in the following categories:

- Commercial Landscape Construction
- Residential Landscape Construction
- Commercial Landscape Maintenance
- Residential Landscape Maintenance
- Sustainable Landscape Construction
- Sustainable Landscape Maintenance

Heritage Status - The project was installed between 5-9 years ago and is being entered by the original installer or has been maintained continuously by the same maintenance company for more than five years.

Decade Status - The project was installed more than nine years ago and is being entered by the original installer or has been maintained continuously by the same maintenance company for more than ten years.

General Rules

- All parts of the entry become the property of the ILCA for purposes of education and promotion.
- All participating parties must agree to the submission of the project.
- A project may only be submitted in one category per year.
- No Gold Award-winning projects may be submitted in the same category within five years.
- Entries received after the final deadline, or which are incomplete, will be eliminated from the competition.
- Decisions of the judges are final.
